2018 Science Leadership Camp Scholarships

In partnership with Science-U, Penn State’s Center for Nanoscale Science has created scholarship opportunities for motivated high school students from diverse backgrounds to attend:

Science Leadership Camp
July 23 – 27, 2018

Selection Criteria:

- Sincere interest in learning about Science, Technology, Engineering, and/or Math (STEM)
- Demonstration of leadership potential, a positive attitude, and strength of character
- Entering 10th, 11th, or 12th grade in Fall 2018

This scholarship program seeks to attract diverse individuals. Underrepresented, underserved, and female applicants are encouraged to apply.

Instructions for Applicants:

1. Complete the application form, which includes a 1-2 page essay, and submit as described below by January 10th, 2018. Form available at: https://www.sciencecamps.psu.edu/registration/science-leadership-camp-scholarship-process
   a. The 1-2 page essay must answer the following questions:
      i. What areas of science interest you the most and why?
      ii. Why are you motivated to become a leader in science?
      iii. How will your attendance at Science Leadership Camp benefit you and your community?

2. Ask a teacher from a previous or current science, mathematics, or technology class to complete the Teacher Recommendation Form. (Remind them submit before the deadline!) Forms are available at: http://www.sciencecamps.psu.edu/registration/science-leadership-camp-scholarship-process

Submit your application form and essay in one of the following ways:

Mail: Science-U Summer Camp Program
      Science Leadership Camp Scholarship Committee
      201 Ritenour Building
      University Park, PA 16802

Email: sciencecamps@science.psu.edu

All materials, including Teacher Recommendation Forms, are due by January 10th, 2018. Scholarship applications will be reviewed by the Science Leadership Camp Scholarship Committee and applicants will be notified of award decisions by January 25th, 2018, which is before Science-U registration opens on February 5th, 2018 at 10:00 a.m.

For paper registration forms, questions, or more info, contact the Science-U office by phone at (814) 865-0083 or by email.
